PROFILE

Responsible fresher with a thirst for knowledge and greatness. A dedicated and passionate individual who is constantly improving, in search for an entry-level position to build valuable experience and acquire numerous hard and soft skills.

EXPERIENCE

INTERN

Bitshares labs inc.

Sepember 2022 - October 2023

- Developed a mobile application that has the necessary features that a mobile application should have. Namely, the CRUD function, a sign up and log in feature, a profile creation feature, and a chat feature
- Designed a prototype for a mobile application my adviser was working on and got accepted
- Learned a new programming language and several helpful techniques in coding.

INTERN

The Commission on Higher Education - CAR

October 2022 - November 2022

- Identified issues, analyzed information and provided solutions to problems
- Organized files to support efficiency and traceability
- Scanned 1,500+ of confidential documents while helping on other clerical jobs.
- Fixed and Installed a Biometrics system
- Helped in setting up the computers and sound systems on events
- Performed Computer reformatting, troubleshooting, Operating System installation, and windows OS optimization
